the Gulf outside of Tampa and the plane went down. And I know his family was very hurt by the sad tragedy and I felt that a resolution to at least let the state know what a great individual he really was would be appropriate. I ask for your adoption of the resolution. Thank you.

PRESIDENT: Thank you, Senator Abboud. Is there discussion on the resolution? If not, all members would record your vote aye or nay. Have you all voted on the resolution aye or nay? Have you all voted? Record the vote, Mr. Clerk.

CLERK: 30 ayes, 0 nays, Mr. President, on adoption of the resolution.

PRESIDENT: The motion carries and the resolution is adopted. We will move on to motions.

CLERK: Mr. President, Senator Rod Johnson would move to rerefer LB 1132 from Public Works to the Agriculture and Environment Committee.

PRESIDENT: the Chair recognizes Senator Rod Johnson. May we have order please. (Gavel.) Quiet down the conversations so we can hear the speaker.

SENATOR R. JOHNSON: Well, Mr. President, members, I won't take very long on this motion. I can promise you this is the last time I will have to get up and argue a rereferencing of a particular bill because of the action of this distinguished body to accept the rule changes and committee restructuring so that Senator Schmit and I won't have to fight over water and soil issues any longer. On this particular case, I think we are together on this issue. LB 474, which is a soil and sediment erosion bill was sent to the Agriculture and Environment Committee last year. This particular bill, LB 1132, is a bill that deals with soil erosion again through wind erosion and once again I am not sure where the consistency is between the Executive Board or the Referencing Committee but I can live with whatever decision is made by the body. I think it belongs in the Ag and Environment Committee. As long as that environment portion of the committee is still there, I think it should be a functioning part of the committee and I hope that you will adopt this motion and rerefer the bill. I really don't see any problem with having it rereferred to the Ag Committee to discuss Senator Sieck's bill. He has
